ISA Wenhua Wuhan School 2025-2026 Profile

ISA International Education Group (ISAIEG) was founded in 2014 by senior education experts from prestigious global educational organizations. Today, the group operates more than 10 schools and programs, including four international schools (ISA Tianhe, ISA Science City, ISA Liwan International, and ISA Wuhan International), two K–12 ISA Wenhua Schools (ISA Wenhua Liwan and ISA Wenhua Wuhan), and two ISA Senior Years Programs delivered in partnership with public high schools (Guangzhou Foreign Language School ISA Wenhua IB Diploma Program and Wuhan No. 2 High School ISA Wenhua IB Diploma Program).

In 2022, ISA Wuhan School became a leading international education hub in Central China, encompassing an international school (ISA Wuhan International school) for expatriate families and a bilingual school (ISA Wenhua Wuhan School) for domestic students. These two schools share the same campus while maintaining distinct academic profiles.

This profile focuses on ISA Wenhua Wuhan High School, which is dedicated to empowering students to reach their fullest potential through spiritual growth, cultural appreciation, and a lifelong passion for learning. Admission is highly selective, requiring rigorous examinations and interviews, with full scholarships awarded to exceptional candidates. From Grades 9 to 12, the school offers multiple academic pathway s, including the IBDP, A Level, AP, HKDSE, CNC (Chinese National Curriculum), and specialized Visual Arts and Japanese curricula.

Our graduating class in 2026 received offers from universities in the US, UK, Hong Kong, Singapore, Canada, Australia, and other regions, with a collective scholarship total of 2.4 million USD. Notably, 80% were admitted to universities ranked in the global top 50 (QS Rankings) and 100% to the top 50 (USNEWS Rankings). Prestigious acceptances included California Institute of Technology, University of Cambridge, Imperial College London, Peking University, the University of Hong Kong, and the National University of Singapore.

* Co-curricular activities are interest-based clubs organized by the school and offered to students after regular classes each day. Student clubs are initiated by students and are overseen by faculty members serving as supervisors. In total, we provide 117 co-curricular activities and 34 student clubs.

GRADUATION REQUIREMENTS

All graduates who complete the required minimum coursework (outlined below) will be awarded the ISA Wenhua Wuhan High School diploma. For transfer students, credits earned at other accredited schools are recognized toward graduation requirements. In addition, students following the IB pathway are expected to obtain the IB Diploma from the IBO, and those pursuing the A Level pathway will receive Pearson Edexcel or Cambridge International Education A Level certificates based on their externally assessed results and moderation. Students following the CNC pathway will take Gaokao, while students on other pathways are prepared for international university admissions through A-Level/IB/AP/DSE.

English	World Languages	Mathematics	Science	Social Studies	STEAM	Creative Arts
4 years	4 years	3 years	3 years	3 years	1 year	1 year

Additionally, the curriculum requires students to undertake 120 hours of extracurricular activities/community service to achieve balanced development around four dimensions: academics, sports, arts and community services.

GRADING SCALE

Class rank is not calculated at ISA Wuhan International School. GPA is calculated on two scales: weighted (5.0 maximum) and unweighted (4.0 maximum).

The grades are based on a holistic review of the academic performance throughout each semester, with 60% percent emphasis on summative exams and 40% on summative assignments and projects.

School-based Curriculum

Percentage	GPA
90-100	4.0
80-89	3.7
70-79	3.3
60-69	2.7
50-59	2.0
40-49	1.0
0-39	0.0

IB Curriculum

Percentage	Grading	GPA
90-100	7	4.0
80-89	6	3.7
70-79	5	3.3
60-69	4	2.7
50-59	3	2.0
40-49	2	1.0

63-66	D	1.00
60-62	D-	0.67
0-59	F	0.00

COURSE OFFERINGS 2025-2026

In the AP pathway, students typically take an average of six courses per year, comprising three to four AP subjects and two to three school-based courses. Exceptional students may take up to five AP courses annually, beginning as early as Grade 10.

In the IB pathway, students complete school-based subjects across multiple disciplines in Grade 10 to build a solid academic foundation, then progress in Grades 11–12 to the standard combination of three Higher Level (HL) and three Standard Level (SL) courses, along with the three core components—Theory of Knowledge (TOK), Extended Essay (EE), and Creativity, Activity, Service (CAS). Only the most academically outstanding students are permitted to take four HL courses.

In the A-Level pathway, students also begin with school-based courses in Grade 10, followed by three to four A-Level subjects in Grades 11–12.

School-based Courses

English: English 9-12 (Regular/Honors)

Mathematics: Math 9-10 (Regular/Honors), Precalculus 11, Foundation Mathematics for Economics 12, Linear Algebra, Differential Equations

Science: Physics 9-12 (Regular/Honors), Chemistry 9-12 (Regular/Honors), Biology 9-12 (Regular/Honors)

Social Studies: Economics 9-10 (Regular/Honors), Global Perspectives 9-10, Introduction to Business 10, Global Studies 11-12, College Success 12

Languages: Chinese 9-12
